## **Preamble – The Spirit of Cricket**

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws (which are incorporated within these Playing Conditions), but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, match officials and, especially in junior cricket, teachers, coaches and parents.

Respect is central to the Spirit of Cricket.

Respect your captain, team-mates, opponents and the authority of the umpires. Play hard and play fair.

Accept the umpire's decision.

Create a positive atmosphere by your own conduct, and encourage others to do likewise. Show self-discipline, even when things go against you.

Congratulate the opposition on their successes, and enjoy those of your own team. Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

13.6.2 If the match is to be continued on the reserve day, every effort shall be made to complete the match on the scheduled day with any necessary reduction in overs taking place and only if the minimum number of overs necessary to constitute a match cannot be bowled on the scheduled day will the match be completed on the reserve day.

13.6.3 If the match has started on the scheduled day and overs are subsequently reduced following an interruption, but no further play is possible, the match will resume on the reserve day under the same assumption that the last ball was played on the scheduled day. Refer Appendix G.

The team batting second shall receive its full quota of 20 overs irrespective of the number of overs it bowled in the scheduled time for the cessation of the first innings.

13.7.1.3 If the team batting first is dismissed in less than 20 overs, the team batting second shall be entitled to bat for 20 overs.

13.7.1.4 If, after consultation, the umpires together, or PCT's opinion the fault lies with the team bowling first a penalty of twelve (12) runs per over or part thereof bowled after the scheduled time of cessation shall be added to the target score of the team bowling first.

13.7.1.5 If the team fielding second fails to bowl 20 overs by the scheduled cessation time, the hours of play shall be extended until the required number of overs has been bowled or a result is achieved.

- 13.7.2.1.2 The revision of the number of overs should ensure, whenever possible, that both teams have the opportunity of batting for the same number of overs. The team batting second shall not bat for a greater number of overs than the first team unless the latter completed its innings in less than its allocated overs. To constitute a match, a minimum of 5 overs have to be bowled to the side batting second, subject to a result not being achieved earlier.
- 13.7.2.1.3 As soon as the total minutes of playing time remaining is less than the completed overs faced by Team 1 multiplied by 4.25, then the first innings is terminated and the provisions of 13.7.2.2 below take effect.
- 13.7.2.1.4 A fixed time will be specified for the commencement of the interval, and also the close of play for the match, by applying a rate of 14.11 overs per hour. When calculating the length of playing time available for the match, or the length of either innings, the timing and duration of all relative delays, extensions in playing hours, interruptions in play, and intervals will be taken into consideration. This calculation must not cause the match to finish earlier than the original or rescheduled time for cessation of play on the final scheduled day for play. If required the original time shall be extended to allow for one extra over for each team.
- 13.7.2.1.5 If the team fielding first fails to bowl the revised number of overs by the specified time, play shall continue until the required number of overs have been bowled or the innings is completed.
- 13.7.2.1.6 If, after consultation, the umpires together, or PCT's opinion the fault lies with the team bowling first a penalty of twelve (12) runs per over or part thereof bowled after the scheduled time of cessation shall be added to the target score of the team bowling first.
- 13.7.2.1.7 Penalties shall apply for slow over rates (refer to the BCA Code of Conduct).

### 13.7.2.2 Delay or Interruption to the innings of the Team Batting Second (see paragraph 2 of Appendix E)

- 13.7.2.2.1 When playing time has been lost and, as a result, it is not possible for the team batting second to have the opportunity of receiving its allocated, or revised allocation of overs in the playing time available, the number of overs shall be reduced at a rate of 14.11 overs per hour in respect of the lost playing time. Should the calculations result in a fraction of an over the fraction shall be ignored.
- 13.7.2.2.2 In addition, should the innings of the team batting first have been completed prior to the scheduled, or re-scheduled time for the commencement of the interval, then any calculation relating to the revision of overs shall not be effective until an amount of time equivalent to that by which the second innings started early has elapsed.
- 13.7.2.2.3 To constitute a match, a minimum of 5 overs have to be bowled to the team batting second subject to a result not being achieved earlier.
- 13.7.2.2.4 The team batting second shall not bat for a greater number of overs than the first team unless the latter completed its innings in less than its allocated overs.
- 13.7.2.2.5 A fixed time will be specified for the close of play by applying a rate of 14.11 overs

per hour. The timing and duration of all relative delays, extensions in playing hours and interruptions in play will be taken into consideration in specifying this time.

- 13.7.2.2.6 If the team fielding second fails to bowl the revised overs by the scheduled or re-scheduled close of play, the hours of play shall be extended until the overs have been bowled or a result achieved.
- 13.7.2.2.7 If, after consultation, the umpires together, or PCT's opinion the fault lies with the team bowling second a penalty of twelve (12) runs per over or part thereof bowled after the scheduled time of cessation shall be added to the target score of the team bowling first.
- 13.7.2.2.8 Penalties shall apply for slow over rates (refer to the BCA Code of Conduct).

### 13.7.3 Extra Time

- 13.7.3.1 Where the start of play is delayed or play is suspended for any reason then extra time of up to forty minutes shall be available for each match.
- 13.7.3.2 For the avoidance of doubt, if extra time is required to be used, it will be taken in the following sequence. In the event of a delayed start or interruption, the provision of forty minutes extra time is to be used first, followed by the time allocated for 'time outs' and then the reduction in the innings change interval (if applicable).
- 13.7.3.3 For clarity, the changeover period (maximum 10 mins) for a Super Over after the main match is not to be taken into account when applying any permitted extra time available.
- 13.7.3.4 For the play-off matches, in addition to the extra time referred to above, there may be reserve days (on which an incomplete play-off match shall be completed). Further details of reserve day arrangements will be confirmed in the Match Schedule Document - Appendix A of the Special Conditions and Regulations of Play.

## 13.8 Over-Rate Penalties

This clause not used

## 13.9 Number of Overs per Bowler

- 13.9.1 No bowler shall bowl more than 4 overs in an innings.
- 13.9.2 In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second;
- 13.9.3 In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second;
- 13.9.4 for innings of rescheduled length of at least 10 overs, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
- 13.9.5 for innings of rescheduled length of between 5 and 9 overs, no bowler may bowl more than two overs.
- 13.9.6 In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.
- 13.9.7 The scoreboard shall show the total number of overs bowled and the number of overs bowled by each bowler.

## 14 THE FOLLOW-ON

Shall not apply.

## 15 DECLARATION AND FORFEITURE

Shall not apply.

## 16 THE RESULT

### 16.1 A Win

- 16.1.1 Unless the winner is determined by DLS (see clause 16.4) the side which has scored in its one innings a total of runs in excess of that scored by the opposing side in its one completed innings shall win the match. See clause 13.3 (Completed innings). Note also clause 16.4 (Winning hit or extras).
- 16.1.2 Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Clause 16.2), a result can be achieved only if both teams have had the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs.
- 16.1.3 Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Clause 16.2), all matches in which both teams have not had an opportunity of batting for a minimum of 5 overs, shall be declared a No Result.

### 16.2 BCA Match Referee or Umpires (if no Match Referee appointed) awarding a match

- 16.2.1 A match shall be lost by a side which either
- 16.2.1.1 concedes defeat or
  - 16.2.1.2 in the opinion of the BCA Match Referee or Umpires (if no Match Referee appointed) refuses to play and the BCA Match Referee or Umpires (if no Match Referee appointed) shall award the match to the other side.
- 16.2.2 If an umpire considers that an action by any player or players might constitute a refusal by either side to play then the umpires together shall inform the BCA Match Referee or Umpires (if no Match Referee appointed) of this fact. The BCA Match Referee or Umpires (if no Match Referee appointed) shall together with the umpires ascertain the cause of the action. If the BCA Match Referee or Umpires (if no Match Referee appointed), after due consultation with the umpires, then decides that this action does constitute a refusal to play by one side, he/she shall so inform the captain of that side. If the captain persists in the action the BCA Match Referee or Umpires (if no Match Referee appointed) shall award the match in accordance with clause 16.2.1.2 above.
- 16.2.3 If action as in clause 16.2.2 above takes place after play has started and does not constitute a refusal to play the delay or interruption in play shall be dealt with in the same manner as provided for in clauses 13.7.2 (Delayed and Interrupted Matches) and 11.4 (Changing agreed times for intervals) above.

**Note:** In addition to the consequences of any refusal to play prescribed under this clause, any such refusal, whether temporary or final, may result in disciplinary action being taken against the captain and team responsible under the BCA Code of Conduct.

### 16.3 All other matches – A Tie or No Result

#### 16.3.1 A Tie

- 16.3.1.1 If the teams' scores are equal after both innings have been completed (if applicable under DLS – see clause 16.4), then a Super Over shall be played. If the Super Over is a tie, then unless exceptional circumstances arise (see paragraph 26 of Appendix F) subsequent Super Overs shall be played until there is a winner. Should it not be possible to play or to complete the Super Overs needed to determine a winner, the match shall be tied.

#### 16.3.2 No Result

See clause 16.1.3 above.

## 16.4 Calculation of the Target Score

### 16.4.1 Interrupted Matches

16.4.1.1 If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 5 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using DLS. The target set will always be a whole number and one run less will constitute a Tie.

### 16.4.2 Prematurely Terminated Matches

16.4.2.1 If the innings of the side batting second is suspended (with at least 5 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of the suspension using DLS. If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

## 16.5 Winning hit or extras

16.5.1 As soon as a result is reached as defined in clauses 16.1, 16.2 or 16.3.1, the match is at an end. Nothing that happens thereafter, except as in clause 41.18.2 (Penalty runs), shall be regarded as part of it. Note also clause 16.8.

16.5.2 The side batting last will have scored enough runs to win only if its total of runs is sufficient without including any runs completed by the batters before the completion of a catch, or the obstruction of a catch, from which the striker could be dismissed.

16.5.3 If a boundary is scored before the batters have completed sufficient runs to win the match, the whole of the boundary allowance shall be credited to the side's total and, in the case of a hit by the bat, to the striker's score.

## 16.6 Statement of result

If the side batting last wins the match without losing all its wickets, the result shall be stated as a win by the number of wickets still then to fall, unless clause 16.4.2.1 (Prematurely Terminated Matches) applies.

If, without having scored a total of runs in excess of the total scored by the opposing side, the innings of the side batting last has been completed, but as the result of an award of 5 Penalty runs its total of runs is then sufficient to win, the result shall be stated as a win to that side by Penalty runs.

If the side fielding last wins the match, the result shall be stated as a win by runs.

If the match is decided by one side conceding defeat or refusing to play, the result shall be stated as Match Conceded or Match Awarded, as the case may be.

## 16.7 Correctness of result

Any decision as to the correctness of the scores shall be the responsibility of the umpires. See clause 2.15 (Correctness of scores).

## 16.8 Mistakes in scoring

If, after the players and umpires have left the field in the belief that the match has been concluded, the umpires discover that a mistake in scoring has occurred which affects the result then, subject to clause 16.9, they shall adopt the following procedure.

16.8.1 If, when the players leave the field, the side batting last has not completed its innings and, either the number of overs to be bowled in that innings has not been completed, or the end of the innings has not been reached then, unless one side concedes defeat, the umpires shall order play to resume.

Unless a result is reached sooner, play will then continue, if conditions permit, until the prescribed number of overs has been completed. The number of overs shall be taken as they were at the call of Time for the supposed

conclusion of the match. No account shall be taken of the time between that moment and the resumption of play.

16.8.2 If, at this call of Time, the overs have been completed and no Playing time remains, or if the side batting last has completed its innings, the umpires shall immediately inform both captains of the necessary corrections to the scores and to the result.

### 16.9 Result not to be changed

Once the umpires have agreed with the scorers the correctness of the scores at the conclusion of the match – see clauses 2.15 (Correctness of scores) and 3.2 (Correctness of scores) – the result cannot thereafter be changed.

### 16.10 Points

16.10.1 The Points table for the competition shall be compiled by BCA, the positions in which shall be determined by the number of points gained with points being awarded as follows:

- 4 points for each match won;
- 2 point per team taking part in any match with no result or any match which is tied (where it was not possible to complete a Super Over at the end of play or where the Super Over itself is tied);
- 2 point per team for any match involving such team which does not commence for any reason (other than where the reason for such non-commencement is a breach of the Operational Rules by one Club which results in such forfeiting such match); and
- 0 points for any match lost or forfeited.

The team with the highest number of points shall be at the top of the table and the team with the lowest shall be at the bottom.

16.10.2 Where teams have an equal number of points their relative positions shall be determined by the following:

16.10.2.1 The team with the most wins in matches in the preliminary competition during the season will be placed in the higher position;

16.10.2.2 If there are teams with equal points and equal wins during the season, then in such case the team with the higher net run rate (as calculated in clause 16.12 below) will be placed in the higher position;

16.10.2.3 If following the net run rate calculation above there are teams which are still equal, then the team with the higher number of wickets taken per fair balls bowled in the matches played that season in which results were achieved will be placed in the higher position;

16.10.2.4 If still equal at the end of the regular season then the team position will be determined by drawing lots.

16.10.3 References in clause 16.10 to ‘matches’ shall not include the play-off matches

### 16.11 Play-off matches – Quarter-Finals, Semi-Finals, and Finals

#### 16.11.1 Reserve days set aside for the Play-Off rounds of this competition Only.

16.11.2 A Reserve Day will be set aside in the event that there is no play or if any match in the Quarter-Finals, Semi-Finals or Final end in a “No Decision”.

16.11.3 If there is no play on the Reserve Day or the match ends in a “No Decision”, tie, or abandoned, the team which has the higher ranking from the preliminary rounds, see clause 18 of the BCA Special Conditions and Match Schedule Document, shall advance to the next round.

16.11.4 In the event that two teams had placed in the same position in the preliminary rounds, the team with the higher ranking from the preliminary rounds, see clause 18 of the BCA Special Conditions and Match Schedule Document, shall advance to the next round.

- 16.11.5 If any of the Quarter-finals, Semi-Finals, Final matches are tied, or there is no result, the following shall apply:
- 16.11.5.1 the relevant teams shall compete in a Super Over to determine which team is the winner of the match in question; and
  - 16.11.5.2 if conditions do not permit a Super Over within the time available to determine the winner or if the Super Over is tied following the completion of all mechanisms as described in Appendix F then the team which, at the end of the relevant regular Season, finished in the higher position in the Points table (in accordance with clause 16.10 above), and therefore the higher ranking from the preliminary rounds, see clause 18 of the BCA Special Conditions and Match Schedule Document will be deemed the winner of the relevant play-off match.

The procedure for any Super Over shall be as set out in Appendix F.

## 16.12 Net Run Rate

- 16.12.1 A team's net run rate is calculated by deducting from the average runs per over scored by that team throughout the season, the average runs per over scored against that team throughout the season.
- 16.12.2 In the event of a team being all out in less than its full quota of overs, the calculation of its net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.
- 16.12.3 Only those matches where results are achieved will count for the purpose of net run rate calculations. Where a match is abandoned, but a result is achieved under Duckworth/Lewis/Stern, for net run rate purposes, team 1 will be accredited with team 2's Par Score on abandonment off the same number of overs faced by team 2. Where a match is concluded but with Duckworth/Lewis/Stern having been applied at an earlier point in the match, team 1 will be accredited with 1 run less than the final Target Score for team 2 off the total number of overs allocated to team 2 to reach the target.

## 16.13 Run Rate for Shield & Plate teams

The run rate (runs/overs) of a team batting first shall be calculated as follows:

- 16.13.1 The run rate of a team shall be based on the number of overs to which the team had been entitled.
- 16.13.2 If the team batting second has not had the opportunity to bat for the required number of overs and provided it has batted for at least five (5) overs and has neither been bowled out nor has passed its opponent's score, the result shall be based on the run rate.
- 16.13.3 The team with the higher run rate shall be the winner.
- 16.13.4 If due to a suspension of play, the number of overs in the innings of the team batting second has to be revised, its target score shall be the next highest integer (whole number) after the revised number of overs (this includes the over(s) bowled before the interruption) is multiplied by the run rate of the team batting first.
- 16.13.5 Example:
  - 16.13.5.1  $\text{Run Rate} = \text{Total Score} \div \text{Total Overs bowled}$  or in the case of a team which has been bowled out, 20 overs.
  - 16.13.5.2 Calculations must be done to three (3) decimal places.
  - 16.13.5.3  $\text{Remaining Overs} = (\text{Remaining Overs before suspension}) - (\text{Overs lost due to suspension})$ .
  - 16.13.5.4  $\text{Total Overs Possible} = \text{Remaining Overs} + \text{Overs already Bowled}$
  - 16.13.5.5  $\text{Target Score} = (\text{Total Overs} \times \text{Run Rate of Team Batting First}) + 1$

- 16.13.5.6 In all calculations involving the number of overs in a completed innings, “Over.Ball” shall be used in the calculation;
- 16.13.5.7 Example: if ‘Time’ is called with 8 overs and 2 balls being bowled (8.2 overs), the run rate of the first team shall be multiplied by 8.333, that is 8 overs plus 2/6 of an over + 1 to derive the target.
- 16.13.6 In all cases the run rate of a team bowled out shall be based on the full quota of overs to which it had been entitled.
- 16.13.7 This shall not apply in a five (5) overs per side match, since each side must have the opportunity to bat for five (5) overs to constitute a match.
- 16.13.8 In a match interrupted in the second session, the target score is set by the Umpires who shall decide on the number of overs to be bowled at the team batting second, with one over being deducted for every 4.25 minutes lost.
- 16.13.9 The game concludes when the target is reached, or when the revised number of overs is completed, or when the team batting second is bowled out.
- 16.13.10 In an incomplete match (a match which started but in which there was no winner) or in a match abandoned without a ball being bowled, or in a match in which both teams did not have the opportunity to face five (5) overs Clause 3.) above shall apply.

17.5.2 If, having miscounted, the umpire allows an over to continue after 6 valid balls have been bowled, he/she may subsequently call Over when the ball becomes dead after any delivery, even if that delivery is not a valid ball.

17.5.3 Whenever possible, the third umpire shall liaise with the scorers and if possible inform the on-field umpires if the over has been miscounted.

## **19 BOUNDARIES**

### **19.1 Determining the boundary of the field of play**

19.1.1 Before the toss, the umpires shall determine the boundary of the field of play, which shall be fixed for the duration of the match. See clause 2.3.4 (Consultation with Home Board).

19.1.2 The boundary shall be determined such that no part of any sight-screen, will, at any stage of the match, be within the field of play.

19.1.3 The aim shall be to maximise the size of the playing area at each venue. With respect to the size of the boundaries, no boundary shall be longer than 90 yards (82.29 meters), and no boundary should be shorter than 65 yards (59.43 metres) from the centre of the pitch to be used.

19.1.4 Any ground which has previously been approved to host international cricket which is unable to conform to the minimum boundary dimension shall be exempt. In such cases the boundary shall be positioned so as to maximise the size of the playing area.

### **19.2 Identifying and marking the boundary**

19.2.1 All boundaries must be designated by a rope, or similar object of a minimum standard as authorised by the BCA from time to time.

19.2.2 If the boundary is marked by means of an object that is in contact with the ground the boundary will be the edge of the grounded part of the object which is nearest the pitch.

19.2.3 An obstacle within the field of play shall not be regarded as a boundary unless so determined by the umpires before the toss. See clause 2.3.4 (Consultation with Home Board).

19.2.4 If an unauthorised person enters the playing arena and handles the ball, the umpire at the bowler's end shall be the sole judge of whether the boundary allowance should be scored or the ball be treated as still in play or called dead ball if a batter is liable to be out as a result of the unauthorised person handling the ball.

### **19.3 Restoring the boundary**

If a solid object used to mark the boundary is disturbed for any reason, then:

19.3.1 the boundary shall be considered to be in its original position.

19.3.2 the object shall be returned to its original position as soon as is practicable; if play is taking place, this shall be as soon as the ball is dead.

19.3.3 if some part of a fence or other marker has come within the field of play, that part shall be removed from the field of play as soon as is practicable; if play is taking place, this shall be as soon as the ball is dead.

### **19.4 Ball grounded beyond the boundary**

19.4.1 The ball in play is grounded beyond the boundary if it touches

- the boundary or any part of an object used to mark the boundary;
- the ground beyond the boundary;
- any object that is grounded beyond the boundary.

19.4.2 The ball in play is to be regarded as being grounded beyond the boundary if

- a fielder, grounded beyond the boundary as in clause 19.5, touches the ball;
- a fielder, after catching the ball within the boundary, becomes grounded beyond the boundary while in contact with the ball, before completing the catch.

### **19.5 Fielder grounded beyond the boundary**

19.5.1 A fielder is grounded beyond the boundary if some part of his/her person is in contact with any of the following:

- the boundary or any part of an object used to mark the boundary;
- the ground beyond the boundary;
- any object that is in contact with the ground beyond the boundary;
- another fielder who is grounded beyond the boundary.

19.5.2 A fielder who is not in contact with the ground is considered to be grounded beyond the boundary if his/her final contact with the ground, before his/her first contact with the ball after it has been delivered by the bowler, was not entirely within the boundary.

### **19.6 Boundary allowances**

19.6.1 6 runs shall be allowed for a boundary 6; and 4 runs for a boundary 4. See also clause 19.7.

### **19.7 Runs scored from boundaries**

19.7.1 A boundary 6 will be scored if and only if the ball has been struck by the bat and is first grounded beyond the boundary without having been in contact with the ground within the field of play. This shall apply even if the ball has previously touched a fielder.

19.7.2 A boundary 4 will be scored when a ball that is grounded beyond the boundary

- whether struck by the bat or not, was first grounded within the boundary, or
- has not been struck by the bat.

19.7.3 When a boundary is scored, the batting side, except in the circumstances of clause 19.8, shall be awarded whichever is the greater of

19.7.3.1 the allowance for the boundary

19.7.3.2 the runs completed by the batters together with the run in progress if they had already crossed at the instant the boundary is scored.

19.7.4 When the runs in clause 19.7.3.2 exceed the boundary allowance they shall replace the boundary allowance for the purposes of clause 18.12.

19.7.5 The scoring of Penalty runs by either side is not affected by the scoring of a boundary.

### **19.8 Overthrow or wilful act of fielder**

If the boundary results from an overthrow or from the wilful act of a fielder, the runs scored shall be any runs for penalties awarded to either side

and the allowance for the boundary

and the runs completed by the batters, together with the run in progress if they had already crossed at the instant of the throw or act.

Clause 18.12.2 (Batter returning to wicket he/she has left) shall apply as from the instant of the throw or act.

### **21.19 Free Hit**

**21.19.1** In addition to the above, the delivery following a No ball called (all modes of No ball) shall be a free hit for whichever batter is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No ball or a Wide) then the next delivery will become a free hit for whichever batter is facing it.

**21.19.2** For any free hit, the striker can be dismissed only under the circumstances that apply for a No ball, even if the delivery for the free hit is called Wide.

**21.19.3** Neither field changes nor the exchange of individuals between fielding positions are permitted for free hit deliveries unless:

21.19.3.1 There is a change of striker (the provisions of clause 41.2 shall apply), or

21.19.3.2 The No ball was the result of a fielding restriction breach, in which case the field may be changed to the extent of correcting the breach.

**21.19.4** For clarity, the bowler can change his/her mode of delivery for the free hit delivery. In such circumstances Clause 21.1 shall apply.

**21.19.5** The umpires will signal a free hit by (after the normal No ball signal) extending one arm straight upwards and moving it in a circular motion.

## **22 WIDE BALL**

### **22.1 Judging a Wide**

**22.1.1** If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definition in clause 22.1.2

22.1.1.1 the ball passes wide of where the striker is standing and which also would have passed wide of the striker standing in a normal guard position.

22.1.1.2 the ball passes above the head height of the striker standing upright at the popping crease.

**22.1.2** The ball will be considered as passing wide of the striker unless it is sufficiently within reach for him to be able to hit it with the bat by means of a normal cricket stroke.

**22.1.3** Umpires are instructed to apply very strict and consistent interpretation in regard to this clause in order to prevent negative bowling wide of the wicket.

## **24 FIELDER'S ABSENCE; SUBSTITUTES**

### **24.1 Substitute fielders**

#### **24.1.1** The umpires shall allow a substitute fielder

24.1.1.1 if they are satisfied that a fielder has been injured or become ill and that this occurred during the match, or

24.1.1.2 for any other wholly acceptable reason.

In all other circumstances, a substitute is not allowed.

#### **24.1.2** A substitute shall not bowl or act as captain but may act as wicket-keeper only with the consent of the umpires. Note, however, clause 42.4.1.

#### **24.1.3** A nominated player may bowl or field even though a substitute has previously acted for him, subject to clauses 24.2 and 24.3.

#### **24.1.4** Squad members of the fielding or batting team who are not playing in the match and who are not acting as substitute fielders shall be required to wear a team training bib whilst on the playing area (including the area between the boundary and the perimeter fencing).

### **24.2 Fielder absent or leaving the field of play**

#### **24.2.1** A player going briefly outside the boundary while carrying out any duties as a fielder is not absent from the field of play nor, for the purposes of this clause, is he/she to be regarded as having left the field of play.

#### **24.2.2** If a fielder fails to take the field at the start of play or at any later time, or leaves the field during play,

24.2.2.1 an umpire shall be informed of the reason for this absence.

24.2.2.2 He/she shall not thereafter come on to the field of play during a session of play without the consent of the umpire. See clause 24.4. The umpire shall give such consent as soon as it is practicable.

#### **24.2.3** If a player is absent from the field for longer than 8 minutes, the following restrictions shall apply to their future participation in the match:

The player shall not be permitted to bowl in the match until he/she has either been able to field, or his/her team has subsequently been batting, for the total length of playing time for which the player was absent (hereafter referred to as Penalty time). A player's unexpired Penalty time shall be limited to a maximum of 40 minutes. If any unexpired Penalty time remains at the end of an innings, it is carried forward to the next and subsequent innings of the match.

- 24.2.3.1 The player shall not be permitted to bat in the match until his/her team's batting innings has been in progress for the length of playing time that is equal to the unexpired Penalty time carried forward from the previous innings. However, once his/her side has lost five wickets in its batting innings, he/she may bat immediately. If any unexpired penalty time remains at the end of that batting innings, it is carried forward to the next and subsequent innings of the match.
- 24.2.4 If the player leaves the field before having served all of his/her Penalty time, the balance is carried forward as unserved Penalty time.
- 24.2.5 On any occasion of absence, the amount of playing time for which the player is off the field shall be added to any Penalty time that remains unserved, subject to a maximum cumulative Penalty time of 40 minutes, and that player shall not bowl until all of his/her Penalty time has been served.
- 24.2.6 For the purposes of clauses 24.2.3.1 and 24.2.3.2, playing time shall comprise the time play is in progress excluding intervals between innings. For clarity, a player's Penalty time will continue to expire after he/she is dismissed, for the remainder of his/her team's batting innings.
- 24.2.7 If there is an unscheduled break in play, the stoppage time shall count as Penalty time served, provided that,
- 24.2.7.1 the fielder who was on the field of play at the start of the break either takes the field on the resumption of play, or his/her side is now batting.
- 24.2.7.2 the fielder who was already off the field at the start of the break notifies an umpire in person as soon as he/she is able to participate, and either takes the field on the resumption of play, or his/her side is now batting. Stoppage time before an umpire has been so notified shall not count towards unserved Penalty time.
- 24.2.8 Any unserved Penalty time shall be carried forward into the next innings of the match, as applicable.

### **24.3 Penalty time not incurred**

A nominated player's absence will not incur Penalty time if,

- 24.3.1 He/she has suffered an external blow during the match and, as a result, has justifiably left the field or is unable to take the field.
- 24.3.2 in the opinion of the umpires, the player has been absent or has left the field for other wholly acceptable reasons, which shall not include illness or internal injury.
- 24.3.3 the player is absent from the field for a period of 8 minutes or less.

### **24.4 Player returning without permission**

If a player comes on to the field of play in contravention of clause 24.2.2 and comes into contact with the ball while it is in play, the ball shall immediately become dead.

- The umpire shall award 5 Penalty runs to the batting side.
- Runs completed by the batters shall be scored together with the run in progress if they had already crossed at the instant of the offence.
- The ball shall not count as one of the over.
- The umpire shall inform the other umpire, the captain of the fielding side, the batters and, as soon as practicable, the captain of the batting side of the reason for this action.

## **25 BATTER INNINGS**

### **25.1 Eligibility to act as a batter**

Only a nominated player may bat and, subject to clause 25.3, may do so even though a substitute fielder has previously acted for him.

### **25.2 Commencement of a batter innings**

The innings of the first two batters, and that of any new batter on the resumption of play after a call of Time, shall commence at the call of Play. At any other time, a batter innings shall be considered to have commenced when that batter first steps onto the field of play.

### **25.3 Restriction on batter commencing an innings**

**25.3.1** If a member of the batting side has unserved Penalty time, (see clause 24.2.7), that player shall not be permitted to bat until that Penalty time has been served. However, even if the unserved Penalty time has not expired, that player may bat after his/her side has lost 5 wickets.

**25.3.2** A member of the batting side's Penalty time is served during Playing time. In the event of an unscheduled stoppage, the stoppage time after the batter notifies an umpire in person that he/she is able to participate shall count as Penalty time served.

### **25.4 Batter retiring**

**25.4.1** A batter may retire at any time during his/her innings when the ball is dead. The umpires, before allowing play to proceed, shall be informed of the reason for a batter retiring.

**25.4.2** If a batter retires because of illness, injury or any other unavoidable cause, that batter is entitled to resume his/her innings. If for any reason this does not happen, that batter is to be recorded as 'Retired – not out'.

**25.4.3** If a batter retires for any reason other than as in clause 25.4.2, the innings of that batter may be resumed only with the consent of the opposing captain. If for any reason his/her innings is not resumed, that batter is to be recorded as 'Retired – out'.

**25.4.4** If after retiring a batter resumes his/her innings, subject to the requirements of clauses 25.4.2 and 25.4.3, it shall be only at the fall of a wicket or the retirement of another batter.

### **25.5 Runners**

Runners shall not be permitted.

### **25.6 Dismissal and conduct of a batter and his/her runner**

Not applicable

### **25.7 Restriction on the striker's runner**

Not applicable

### **25.8 Striker's right to play the ball**

The striker has a right to play the ball, or to make a legitimate second strike, after it has been delivered, without interference from the wicket-keeper or any other fielder (see Law 27.5 – Restrictions on actions of wicket-keeper and Law 27.6 – Interference with wicket-keeper by striker).

However, the striker may only attempt to play the ball if some of his/her bat or person, whether grounded or raised, remains within the pitch, as defined in Law 6.1 (Area of pitch). Should no part of the striker's bat or person remain within the pitch, whilst the striker is playing the ball, either umpire shall immediately call and signal Dead ball.

## **26 PRACTICE ON THE FIELD**

### **26.1 Practice on the pitch or the rest of the square**

26.1.1 There shall not be any practice on the pitch at any time.

26.1.2 There shall not be any practice on the rest of the square at any time except with the approval of the umpires.

26.1.2.1 If approved by the umpires, the use of the square for practice on any day of any match will be restricted to any netted practice area or bowling strips specifically prepared on the edge of the square for that purpose.

26.1.2.2 Bowling practice on the bowling strips referred to above shall also be permitted during the interval (and change of innings if not the interval) unless the umpires consider that, in the prevailing conditions of ground and weather, it will be detrimental to the surface of the square.

### **26.2 Practice on the outfield**

26.2.1 On any day of the match, all forms of practice are permitted on the outfield

- before the start of play;
- after the close of play; and
- during the interval or between innings

providing the umpires are satisfied that such practice will not cause significant deterioration in the condition of the outfield.

26.2.2 Between the call of Play and the call of Time, practice shall be permitted on the outfield, providing that all of the following conditions are met:

- only the fielders as defined in paragraph 7 of Appendix A participate in such practice.
- no ball other than the match ball is used for this practice.
- no bowling practice takes place in the area between the square and the boundary in a direction parallel to the match pitch.
- the umpires are satisfied that it will not contravene either of clauses 41.3 (The match ball changing its condition) or 41.9 (Time wasting by the fielding side).

Bowling a ball, using a short run up to a player in the outfield is not to be regarded as bowling practice but shall be subject to the other conditions in this clause.

### **26.3 Trial run-up**

A bowler is permitted to have a trial run-up provided the umpire is satisfied that it will not contravene either of clauses 41.9 (Time wasting by the fielding side) or 41.12 (Fielder damaging the pitch).

### **26.4 Penalties for contravention**

All forms of practice are subject to the provisions of clauses 41.3 (The match ball – changing its condition), 41.9 (Time wasting by the fielding side) and 41.12 (Fielder damaging the pitch).

26.4.1 If there is a contravention of any of the provisions of clause 26.1 or 26.2, the umpire shall

- warn the player that the practice is not permitted;
- inform the other umpire and, as soon as practicable, both captains of the reason for this action.

26.4.1.1 If the contravention is by a batter at the wicket, the umpire shall inform the other batter and each incoming batter that the warning has been issued. The warning shall apply to the team of that player throughout the match.

26.4.2 If during the match there is any further contravention by any player of that team, the umpire shall

- award 5 Penalty runs to the opposing side;

- inform the other umpire, the scorers and, as soon as practicable, both captains, and, if the contravention is during play, the batters at the wicket.
