BCA NEWS RELEASE #116/24

BPWCCUL AND BCA PARTNERSHIP AIMS TO EMPOWER FUTURE GENERATIONS

Following a successful union between the Barbados Public Workers Cooperative Credit Union Limited (BPWCCUL) and the BCA in 2023, community relations officer at the BPWCCUL Ms. Stacy Mottley believes that in 2024 the continued partnership between the two organizations aims to 'empower future generations'.

Mottley stated, “BPWCCUL is proud to sponsor the BCA Schools Under 19 (40 over) tournament for the 2nd consecutive year because we believe in nurturing young talent and fostering personal and community development.

We recognise cricket as more than just a sport, it is a platform that teaches teamwork, discipline and resilience – qualities that align with our commitment to empowering future generations.

By supporting youth cricket we are investing in those we envision to be the leaders and changemakers of tomorrow.”

Along with educational and development workshops for players who are involved in the ongoing tournament, there will be other opportunities for both organizations to display their commitment to the youth and strengthen their relationship.
