BCA NEWS RELEASE #16/25

BCA and CBC partner to bring Regional First-Class tournament on television and radio platforms

Following negotiations between the Barbados Cricket Association (BCA) and the Caribbean Broadcasting Corporation (CBC) there will be an expansion in live coverage on radio and television when three (3) matches in the CWI Regional First-Class tournament are hosted at Kensington Oval.

Cricket West Indies is already responsible for providing streaming of regional matches on YouTube, but this BCA initiative will afford additional opportunities for the local cricket community to listen (94.7FM) and view (CBC TV8) the matches on these local media channels.

Dr. Roland Toppin, Chief Executive Officer (CEO) of the BCA said,

'I am very happy that we will be seeing Regional cricket on CBC TV8. I know that there are a lot of people in Barbados who still rely on being able to watch cricket on television.

He further added, 'There are also a number of people who just love to listen to cricket on radio. I am glad that we have our commentators bringing live coverage on radio as well.'

It will be landmark coverage when the Barbados Pride squad opposes Jamaica (February 12-15), Combined Campuses and Colleges (March 5-8) and Trinidad (March 12-15) at the Mecca as 94.7FM and CBC TV8 are set to carry live broadcasts of these exciting encounters.

Matches will be broadcasted from 10:00am to 5:00pm on the scheduled match days.
