The new initiative will involve a 'Game of the Day' feature where one (1) selected match will be available for viewership on the BCA website with live ball by ball commentary of the action.

The inaugural 'Game of the Day' on Saturday April 18, 2026 will be the Series 2 Elite contest between Superb Blend Gladiola and defending champions Wildey at the Rices cricket ground in St. Philip.

Chief Executive Officer (CEO) at the BCA Mr. Paul Skinner is excited about the new initiative:

'With the advent of a Semi-Professional Elite League for the 2026 Season, the streaming of all Elite games with a "Game of the Day" is yet another BCA initiative to further enhance our efforts to elevate our top-flight cricket and bring greater visibility and recognition to our players and clubs alike.

The streaming, along with our weekly commentary on radio, makes our cricket even more accessible to all cricket lovers and we expect that this will accelerate the growth of our fan base and interest in the sport that we love.'

Live streaming will commence at 12:00 noon with the radio coverage on 92.9FM from 1:30pm.

The other four (4) scheduled Elite (3-day) matches will also be available for viewership (no audio) on the website.

The relevant links to these matches will be available on the BCA website and also on the Instagram & Facebook social media platforms.
